- Safe, clean electric operation
- Adjustable interior light and flame speed control
- Optional on/off remote control available
- Dimensions 26" W x 22.8" H x 13.3" D

Stone Castings

Offers an exciting selection of fireplace mantels cast in natural limestone and protected by a clear sealant. These solid sculptures have the look and the feel of beautiful hand-carved stone.

The Rockefeller

Is one of our self contained, all-in-one stone mantel cabinets which includes an electric fireplace unit. It also includes mirror-reflective technology for a realistic-looking flame and has a built-in, forced-air heater on a separate control. You just plug it into a standard electrical outlet, and enjoy.

Canamould

Has been manufacturing quality products for the construction industry for over a decade.
